60.0 WA technical data sheet

Dedicated to being a one-stop shop for professional products, OmniMount remains on the cutting edge of product innovation. That's why we're the natural choice for any professional, industrial, or commercial application. For speakers having footings at the back of the enclosure, the WA is the best mounting solution for the widest coverage. The 60.0 WA is designed for loads requiring flexibility and easy positioning once mounted.

Product Specifications

Fits most: Bookshelf speakers
Supports up to: 60 lbs (27.2 kg)
Pan: 180°
Color: Black and White

Product Benefits:

- Polymer-injected ball controls resonance frequencies for better sound
- Ball and clamp design for greater mounting flexibility
- Connects from wall to back of the enclosure
- Stainless steel hardware for strength and durability
- Suitable for all-weather use
